

SHAIKH CENTRAL SCHOOL KG SECTION FIELD TRIP TO RANI CHANNAMMA ZOO AT BHUTTRAMANHATTI

Children visit to zoo and get acquainted with the animal kingdom. They learn and get familiar with animals, birds, reptiles who they have never seen before and only read in their books.

Students saw tiger walking gracefully inside its enclosure. It was ecstatic to see a bear playing with a plank of wood. There were various parrot species, each with stunning wings and vivid colours. Many varieties of birds like Turtles, crocodiles, pigeons, parrots, kingfishers, etc. We also saw our national bird peacock in the zoo. Animals of different kinds and colour were kept in them. At last, students enjoyed in the garden with lot of play equipments.
