

## SCES STUDENTS VISIT TO MAHESH FOUNDATION

Shaikh Central School visited Mahesh Foundation on 10.10.2023, An NGO working to enrich the lives of those affected by HIV/AIDS and provide shelter to orphans. Students of Class IX were keen to know how Mahesh Foundation also inspire other patients to fight the disease

through various initiatives. The organization provides education, nutrition, and medical support to over 1800 needy children. They also provide shelter to about 40 orphans in Ashakiran Home at Belagavi.

Mr. Mahesh Jadhav, Founder of Mahesh Foundation interacted with students and teachers, and motivated them to achieve excellence in any domain that interests them. Shaikhians were informed about how this NGO works with civil society, the government and communities to support sustained responses to HIV children. The children are provided monthly nutrition, medical, education and emotional support. It was informed that Children are regularly checked upon through house visits and are provided with groceries and other nutritional supplements.

Shaikh Central School team also donated grocery, accessories and clothes as a part of their contribution. Students were happy to see a person smile, and to know that contributing for that smile, gives ultimate joy and internal satisfaction. Mrs. Gultaz Khan, Vice principal and other teachers accompanied the students.

The foundation presented the Certificate of Appreciation to the Shaikh Central School for the social responsibility towards the needy. Students thanked Mahesh Foundation for their kind hospitality and informative interactive sessions during their visit.
