

RANGOLI COMPETITION AND FIRST AID TRAINING AT SHAIKH CENTRAL SCHOOL

Shaikh Central School had participated in Rangoli competition which was held at NK Foundation. Two groups participated in it. The theme was based on science. The student made Rangoli on plant cell and heart diagram. The school won first prize for plant cell and Second prize for heart diagram. Congrats to the students that won. First Aid Training was conducted for the class of 6 and 7. They learnt the importance of first aid, uses of first aid and why first aid must be kept in every household, schools, offices and so on. The students of class 6 and 7 prepared first aid kits and presented it to school. It was a success that the children learnt and used that knowledge to make a change around them.
