

A COMMUNITY CONNECT ACTIVITY AT SHAIKH CENTRAL SCHOOL

As part of our commitment to holistic education and social responsibility, our school recently organized a Community Connect Activity aimed at instilling values of empathy, service, and civic engagement among students.

The activity was conducted, involving students from grade 8 & 9 under the guidance of our teachers. The objective was to help students understand the importance of giving back to society and to foster a sense of belonging and responsibility towards their community.

“Small acts, when multiplied by many, can transform the world.”
