

EDUCATIONAL VISIT TO SCIENCE CENTRE, SHIVBASAV NAGAR

An educational visit was organized for the students of Grade 6 and 7 to the Science Centre, Shivbasav Nagar, Belagavi. The objective of the visit was to develop scientific curiosity and provide practical exposure beyond classroom learning.

Students explored various sections of the centre such as interactive science exhibits, space and energy galleries, and innovation corners that demonstrated real-life scientific concepts. The live demonstrations and 3D science show fascinated the students and helped them connect theoretical knowledge with practical understanding.

The trip was both educational and enjoyable, promoting teamwork, observation, and inquiry-based learning.

The visit was accompanied and well-guided by Ms. Ruman, Ms. Zahida, Ms. Namita, Mrs. Preeti, Mrs. Mubeen, and Mr. Akshay, who ensured the smooth coordination and safety of students throughout the tour.

Overall, the visit proved to be an enriching experience, sparking scientific curiosity and enthusiasm among the young learners.
