

CHRISTMAS DAY CELEBRATION AT SHAIKH CENTRAL SCHOOL

Christmas Day was celebrated with great joy and enthusiasm at our school campus. The Tree n Hut area was beautifully decorated, creating a festive and cheerful atmosphere for the students and staff. To add to the celebration, attractive food stalls were arranged and managed by the teachers, which became a major highlight of the event.

Various engaging class activities were conducted by the teachers to involve students creatively. These included drawing and coloring of Christmas characters, making snowmen, crafting snowflakes, and preparing Christmas paper chains. The activities helped students express their creativity while learning the spirit of sharing and togetherness associated with Christmas.

The entire celebration was successfully organized under the able guidance of Principal Ms. Pooja Arolkar and Vice Principal Ms. Deepali Bhosale, whose support and encouragement made the event meaningful and memorable. The Christmas celebration spread happiness, creativity, and festive cheer among everyone present.
