## INTERSCHOOL ABACUS COMPETITION

An Interschool Abacus Competition was successfully conducted, providing an excellent platform for young learners to showcase their mathematical skills and mental agility. Students from **Level 1 to Level 7**, representing **10 different schools**, participated enthusiastically in the event.

The competition witnessed healthy competition and vibrant participation, emphasizing the significance of abacus learning in enhancing concentration, speed, accuracy, and overall mathematical proficiency. The participants displayed remarkable confidence, focus, and problem-solving abilities throughout the event.

The competition was initiated and efficiently coordinated by **Ms. Preeti Mudalgai** and **Ms. Deepali Bhosale**, under the able guidance and constant support of **Principal Ms. Pooja Arolkar**. Their dedicated efforts ensured the smooth and successful conduct of the competition.

Overall, the Interschool Abacus Competition proved to be an enriching and motivating experience for all participants and successfully fostered a spirit of learning, excellence, and healthy competition among students.
