

## SHAIKH CENTRAL SCHOOL CELEBRATED EARTH DAY

Shaikh Central School celebrated Earth Day with great enthusiasm and active participation from students across all grades. The celebration commenced with a special assembly, during which students took a pledge to protect and preserve the environment.

A variety of engaging activities were organized for different grade levels. Students of Grades 2 and 3 participated in a coloring activity, while those in Grades 4 and 5 showcased their creativity through leaf painting. Grades 6 and 7 crafted impressive Earth models, and Grade 8 students expressed their thoughts through poster making. Meanwhile, students of Grades 9 and 10 demonstrated innovation by creating solar ovens using shoeboxes.

All activities were conducted successfully under the guidance of Principal Mrs. Pooja Arolkar and Vice Principal Mrs. Deepali Bhosale, making the celebration both meaningful and impactful for everyone involved. If you want, I can also turn this into a social media post, newsletter piece, or speech version.
