

## “SHAIKH CENTRAL SCHOOL PARTICIPATED IN AN AWARENESS PROGRAMME ORGANISED BY THE CHILD LABOUR WELFARE OFFICER”

Students of **Grade 9 and Grade 10** at Shaikh Central School actively participated in a meaningful **awareness programme** organised by the Child Labour Welfare Officer. The session was highly informative and helped students understand the importance of education, child rights, and the adverse effects of child labour on society.

Students gained valuable insights into their rights and responsibilities and learned the significance of ensuring that every child has access to quality education and a safe and supportive environment. The programme encouraged them to become socially aware and motivated them to contribute towards building a better and more compassionate society.

At Shaikh Central School, learning extends beyond textbooks and classrooms. Such initiatives help nurture awareness, empathy, responsibility, and social commitment among students. The programme served as a valuable learning experience, empowering young minds to become responsible citizens and future leaders who can create a positive impact on society.
