

“SHAIKH CENTRAL SCHOOL PARTICIPATED IN AN EDUCATIONAL FIELD TRIP TO MORE SUPERMARKET”

Shaikh Central School organized an enriching educational field trip for the students of **KG to Grade 1** Students on **6th July 2026**, with a visit to **More Supermarket**. The objective of the visit was to provide young learners with a practical understanding of everyday shopping and help them connect classroom learning with real-life experiences.

During the visit, the students enthusiastically explored various sections of the supermarket, where they identified fruits, vegetables, groceries, household products, and other essential items. They keenly observed the billing process, learned about the importance of organizing products on shelves, and understood the value of cleanliness, hygiene, and responsible shopping practices. The interactive experience encouraged curiosity, observation, and communication among the children while enhancing their awareness of the world around them. The field trip was both educational and enjoyable, leaving the students with valuable knowledge and memorable experiences that contributed to their overall learning and holistic development.
