

“SHAIKH CENTRAL SCHOOL CONDUCTS EDUCATIONAL VISIT TO E-LIBRARY, BELAGAVI”

Students of **Grades 6 and 7** from Shaikh Central School participated in an educational field trip to the **E-Library**, Belagavi, on 30th July 2026. The visit was organized with the objective of promoting reading habits, enhancing digital literacy, and familiarizing students with modern learning resources available through digital platforms.

During the visit, students explored the various facilities of the E-Library and gained valuable insights into the use of e-books, online educational resources, and digital learning tools. They interacted with different knowledge platforms and learned how technology can support self-learning and academic growth. The experience provided students with an opportunity to understand the importance of digital libraries in today's educational environment.

The visit was both informative and engaging, encouraging students to develop a deeper interest in reading and technology. It broadened their learning beyond the classroom and inspired them to make effective use of digital resources for continuous learning and personal development.
